"Every Day is a Bonus"™

**Our mission:** To provide assistance to families of children with chronic and life threatening illnesses.

**Our vision:** To be the hub that connects families to financial, educational and emotional resources while they manage their child's illness

## Annual Sponsorships with CJSTUF

**Help us further our mission to provide assistance to families of children with chronic or life-threatening illnesses. Become an annual partner!**

**What does it mean to partner with CJSTUF?** Your sponsorship dollars will be going directly to help ease the burden many local families are facing through financial assistance, meals, and more. Our Meal Fairies program provides a healthy meal to families of local children with chronic and life-threatening illnesses. We offer a weekly lunch at Children's Hospital of Richmond at VCU and UVA Children's Hospital in Charlottesville.

### Some of the ways we can work together

- Monthly volunteer opportunities to help at a Meal Fairies sandwich assembly event
- Opportunity to recommend an employee for a role on our Board to enhance collaboration and provide leadership opportunities
- Visibility on the CJSTUF website
- Company logo on informational and marketing materials displayed at the hospitals and at CJSTUF events throughout the year
- Company logo on stickers or cards accompanying deliveries to families in the hospital
- Recognition in monthly newsletters/email blasts to our mailing list of over 1,100 contacts
- Company spotlight/interview posts on our website and social media highlighting our partnership
- Specific event sponsorship for our annual MusicFest

**Contact us to talk about how we can create a custom sponsorship package for you**
